A UNIQUE CYCLING EXPERIENCE

Rustenburg – Saturday 8 June was a day to remember for those who took part in The Kremetart Cycling Race, which over the years has become well-known for its scenic but challenging and exciting route.

The Kremetart Cycling Race is unique and special because it is the only one-day, four stage race in South Africa. The Soutpansberg Mountain Range offers a wonderful backdrop to the 175km distance that makes up the race. Cyclists also enjoyed the warm, African winter sun rising over the peaks of the mountain which greeted all of them in the early morning.
