Notice Number: 61/2017

Expressions of interest are invited for investment in the Development of a Precinct or portions thereof in Boitekong, Rustenburg

Rustenburg Local Municipality (RLM) approved the Spatial Development Framework that identified priority projects for implementation in the short- to medium-term period. Five (5) precinct plans have been developed to address the increasing demand for housing, social amenities, and economic activities.

Precinct Plans are aimed at contributing to sustainable liveable settlements characterized by opportunity generation, access to opportunities and facilities and the creation of a unique sense of place.

The Boitekong precinct is a proclaimed township with a number of vacant / underdeveloped land parcels offering mixed use development opportunities including:

- Mixed Income Housing
 - Multipurpose Centre
- Agricultural Hub
 - Industrial B-Hives

Expressions of interest are invited for investment in the Development of an Education Precinct in Rustenburg

Rustenburg Local Municipality (RLM) approved the Spatial Development Framework and in addition, has adopted an integrated masterplan that identified investment opportunities for the development of the Rustenburg local economy. The Education Precinct is one of the identified opportunities that will play an enabling role in attracting more economic activities to Rustenburg.

The Education Precinct is aimed at providing for primary and higher education with focus on private schools' development for primary education, and a private or public university development for higher education. The envisaged precinct will also cater for real estate, retail and commercial development opportunities.

The education precinct should attract the development opportunities including:

- Private Primary Education Facility
 - Applied Science / Technical / Engineering University
 - Residential and Student Accommodation
- Retail and Entertainment Park
 - Office Park

Expressions of interest are invited for investment in the Development and Management of the Fresh Produce Market in Rustenburg

This request for Expressions of interest is issued by the Rustenburg Local Municipality for the development and management of the Fresh Produce Market at no cost to the Rustenburg Local Municipality (RLM). The investment will be based on a long-term lease to be negotiated by the parties.

Rustenburg Fresh Produce Market is one of the Municipality's catalyst projects and it is aimed at promoting diverse agricultural produce and to support local agricultural production and enterprise development.

RLM has earmarked a suitable land parcel to support the development and the operation of a Fresh Produce Market. This is a greenfield development that has been prioritised by the Municipality and will be supported by other priority initiatives including the development of agricultural hubs, flea markets and development of informal traders across the Municipality.
