Couple found dead in Hartbeespoort home

Platinum Weekly newspaper | Hartbeespoortdam – Police are investigating a case of murder and an inquest after a married couple was found dead at a smallholding in Melodie during the early hours of Friday, 11 September 2026. According to police spokesperson constable Thuto Bobelo, officers responded to a reported shooting and found a 57-year-old man and his 52-year-old wife in their bedroom. Both had sustained gunshot wounds to the head. Preliminary information indicates that the couple's 30-year-old daughter was sleeping in another room when she heard a gunshot. She forced open a security gate at her parents' bedroom and made the devastating discovery before contacting the police. A revolver was reportedly found on the bed between the couple. The exact circumstances surrounding their deaths remain under investigation, and no conclusions have yet been announced.

BELA deadline passes as Swartruggens battle deepens

Platinum Weekly newspaper | Swartruggens – The deadline for public comment on the latest draft regulations supporting the Basic Education Laws Amendment (BELA) Act passed on 5 September 2026. Schools, governing bodies, teachers and parents have now had their say – and the Department of Basic Education must consider the submissions before finalising the regulations. The proposals cover school governing body elections, additional payments to state-employed teachers, teacher-development structures and the National Education Information System. The BELA Act itself is already in force, but these supporting regulations have not yet been finalised. While the country waits for the outcome, a dispute at Swartruggens Gekombineerde Skool has placed the practical consequences of education governance firmly in the North West spotlight. The dispute followed the placement of 78 English-medium learners at the

Afrikaans-medium school. The school governing body maintained that this was done without proper consultation and without sufficient certainty about classrooms, staff, sanitation, safety and other resources. In April, the North West High Court granted an interim order dealing with the school's admission and language policies and instructed the provincial education department to provide reports and support relating to the additional learners. FEDSAS, which is assisting the governing body, later approached the court over the Department's alleged failure to comply with the order. On 7 September 2026, the court gave the Department five calendar days to submit outstanding reports and documents. North West head of Education Lengane Bogatsu was also ordered to appear in his personal capacity on 29 October 2026 to explain the alleged non-compliance and why he should not be held in contempt of court. No final finding of contempt has yet been made. AfriForum argues that the case illustrates its concerns about increasing state control over schools, while FEDSAS says the school was not opposed to accommodating additional English-medium learners, provided that proper consultation took place and the necessary resources were supplied. The voices have now been submitted and the deadline has passed. Schools and communities can only remain watchful – and pray that the final decisions will protect learners, respect school communities and ensure that education authorities exercise their powers responsibly.

Cleaner streets, safer spaces

Our Ward Matters tackles overgrowth, illegal advertising and neglected public spaces across Rustenburg

Platinum Weekly newspaper | Rustenburg – *Our Ward Matters* (OWM) continued its work across Rustenburg, addressing overgrown vegetation, litter, illegal dumping and public-safety concerns while encouraging residents to take pride in their surroundings. Founded by Ward 15 councillor André van Dyk and led by Cllr Van Dyk and Cllr Tanya Rothman, the initiative remains active in Wards 15, 16 and 17.

Clearing the way to safer neighbourhoods

On Monday 7 September 2026, Cllr Tanya Rothman led the team in cutting back overgrown vegetation between the Impala Park and Springbok Park complexes. Clearing dense bushes improves visibility, discourages criminal activity and reduces the risk of veld fires. On Tuesday, the team removed illegally displayed advertisements – commonly called ‘boomsloping’ – from trees, poles and public spaces in the Rivers area.

Cleaning today, preventing tomorrow’s problems

On Wednesday 9 September, OWM cleaned the route from Geelhout and Wildevy avenues towards the Rustenburg Recreation Centre and Montengulu. The team cut grass, collected litter and removed dead branches from the road. Deteriorating road sections and damaged signs were also identified and will be reported to the municipality. “We cannot fix everything ourselves, but where we can make a difference, we will,” the team said.

Maintenance that protects

On Thursday 10 September, near Bergsig, along Helen Joseph Avenue towards Kock Street, the team removed weeds, grass and accumulated sand from the traffic island. Another team cut back the veld in Kameelboom Avenue, opposite Wendy House Pre-School. This improves visibility and safety while reducing the risk of veld fires near the school and surrounding homes. Cllr André van Dyk, Cllr Tanya Rothman, Ilse du Preez and the OWM team thanked the Rustenburg Local Municipality’s Waste Department and everyone who supported the week’s work.

From addiction to hope: Rustenburg comes full circle

Platinum Weekly newspaper | Rustenburg – Hope, healing and second chances took centre stage at the 360 Revival Rally, held at Aurora Wedding and Function Venue on the Koster Road on Saturday, 12 September 2026.

Organised in support of Friends to Addicts, the community outreach brought approximately 150 people together to raise awareness about substance abuse. The name *360 Revival* represents the complete transformation needed to rebuild a life through recovery, community support and faith.

The programme began with a youth rally for teenagers aged 13 to 18, focusing on drug awareness, peer pressure and making wise choices. Corné de Klerk, a teacher at Hoërskool Dr EG Jansen and a youth pastor, delivered an encouraging message, while the Full Gospel Church Youth Band led praise and worship. Outdoor Arena Security also presented an interactive K9 demonstration. Special guests included children and representatives from Lighthouse Child Care Centre.

J.D. Labotskii of True Christian Ministry served as master of ceremonies for the main programme, which combined music with honest and deeply personal testimonies. Performers JP Dix, Tuin and Shaun Tait shared their experiences of addiction and recovery, with Tait travelling from Cape Town to participate. The closing testimonies by Tuin and Tait left many audience members visibly moved.

From left: youth pastor Corné de Klerk, Monostat owner Maryke Human, J.D. Labotskii of True Christian Ministry, and Monostat owner Francois Hamman.

The event was made possible through strong community support. Aurora owner Alida Pretorius donated the venue, Monostat was a major sponsor, and N4 Guest Lodge provided accommodation and special care for the performers, speaker and presenter. Outdoor Arena Security also supported the awareness initiative.

The rally was driven by Friends to Addicts founder Ernest Pienaar, together with Inezette Engelbrecht, Johan and Lien Mostert, and lead organiser and marketer Melanie van der Walt.

Following the encouraging response, Friends to Addicts hopes to host similar events in future. Its message remains clear: prevention is better than cure, recovery is possible, and every person deserves an opportunity to find their way back.

HAVE YOUR SAY

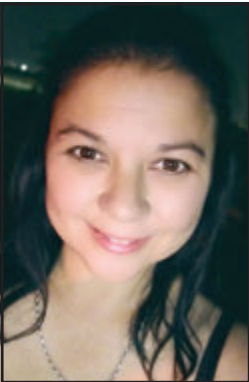

Are you still in touch with your childhood friends?

Some friendships survive school changes, new careers, growing families and even long distances. Others slowly fade as life moves on. Do you still regularly speak to, visit or message the friends who shared your childhood years?

Yes, I do. Some are family members, and because we live nearby, we often see each other. Others I see less often, but whenever we meet, it feels as though we have never been apart.

Omphile Matshaba, Rustenburg

Yes. We did not remain friends because we never changed; we remained friends because, through all life's changes, we kept finding our way back to each other.

Did you know?

RAIN HAS ITS OWN SPECIAL SCENT... That fresh, earthy smell when rain falls on dry ground has a name: petrichor. The word was coined by Australian scientists in 1964. The scent develops when raindrops release plant oils and compounds from the soil into the air. One of these compounds, called geosmin, is produced by soil-dwelling microorganisms – and the human nose is remarkably sensitive to it. So, when someone says they can smell the rain, there is real science behind it!

From copper trails to tandem triumph!

Platinum Weekly newspaper | Rustenburg
– Rustenburg Cycling Club (RCC) members recently tested their endurance in two exciting cycling events – from the rugged trails of the Northern Cape to a fast-paced road race closer to home.
From Friday 11 to Sunday 13 September 2026, Malindi Schoonraad and Neels Wolmarans successfully completed the three-day Namaqua Quest in the Namakwa region. The challenging mountain bike adventure took riders through the Copper Mountains, the Goegap Nature Reserve and across a private farm outside Springbok. Both riders thoroughly enjoyed the memorable experience.
On Saturday 12 September 2026, several RCC members tackled the 91km Blue Diamond Classic Road Race at the Ditsong Willem Prinsloo Agricultural Museum near Cullinan. Justin van der Linde and Hesca de Villiers finished in an excellent time of 2:54, securing first place in the tandem category. Johan Roos and Gregg Taylor followed closely, completing the race in 2:55.
Congratulations to all the riders who proudly represented RCC!
