Special Choir Courses

Potchefstroom – The School of Music at the North-West University presents two special choir courses starting on 11 May 2011.

This course consists over a basic course for the beginner choir conductor, as well as a fundamental course for experienced choir conductors who have previously completed a choir course.

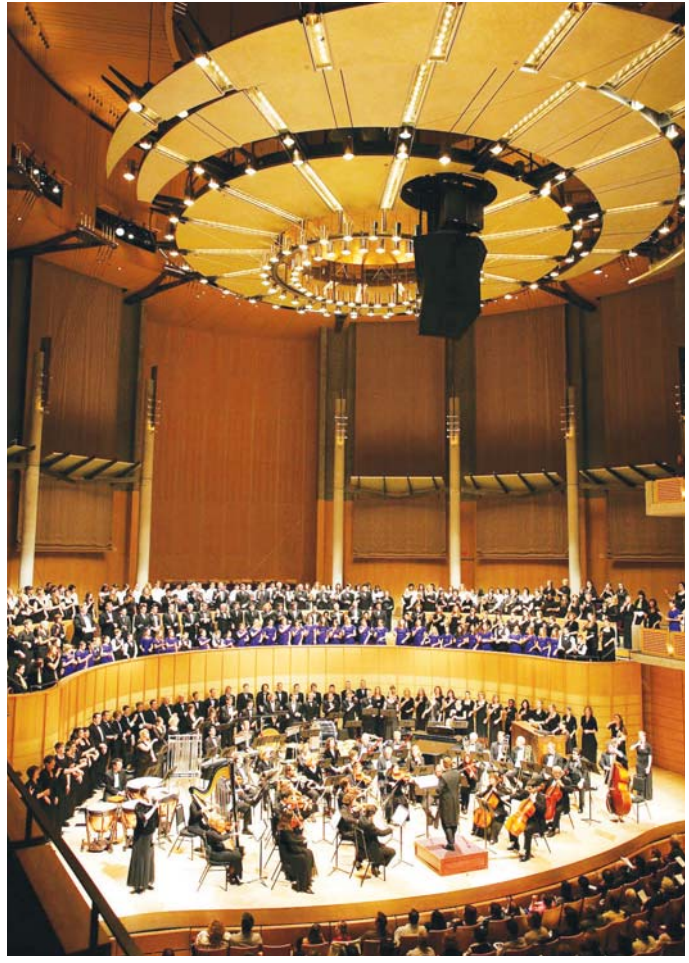

The contact sessions for both courses will take place on selected Wednesdays in May, June, August and September, as well as one weekend in October.

The basic course can be completed at the end of 2011 and the fundamental course at the end of 2012. Mr. Neels Boonzaaier will present most of the sessions, while Prof Kåre Hanken will teach at the session in October.

These courses were developed by the Choir Academy of South Africa (CASA) and have been implemented already with great success. The Choir Academy has been affiliated with the NWU since last year. Choir conductors who have completed these courses achieved success in competitions such as Applous and the South African Schools Choral Eisteddfod (SASCE).

For further information and to enrol, please contact Mr. Neels Boonzaaier at 084 611 9494 or klavianeels@yahoo.com or fax him at s086 691 7024.
