R6 million for Taung Fruit and Veg Hub

Mahikeng / Taung – The North West MEC for Department of Agriculture and Rural Development, Mr Boitumelo Tshwene, says plans are at an advanced stage regarding the establishment of a fruit and vegetable depot for Taung farmers (21 April 2011).

MEC Tshwene also told the Legislature that a feasibility study was conducted by the National Agricultural Marketing Council and that the results were in favour of Taung, primarily due to the departmental irrigation infrastructure and mechanisation interventions already taking place in that area.

"We have realised that the Horticulture producers and smallholder farmers had been struggling to gain access to formal markets for their produce. To sustain the potential agricultural growth for the economy of Taung, 175 vegetable producers around the Taung Irrigation Scheme have been registered to become legitimate members of Taung Fruit and Vegetable Hub," explained MEC Tshwene.

The R6 million set aside for this project will address the production inputs and further infrastructural developments.

"In our endeavour to encourage market-oriented production, we have already linked the Taung Fruit and Vegetables Hub to both Klerksdorp and Kimberly Fresh Produce Markets before they even embark on production," MEC Tshwene reiterated.
