New Suzuki Swift GLS Auto It's more than you expect!

Suzuki Montana recently allowed me to scrutinise the new Swift GLS Automatic and boy was it a pleasant surprise! The Swift is an entirely new beast that kicks out a whopping 70kw/ 130nm but still retains a high level of comfort with its four speed automatic gearbox.

Suzuki reminds you that there are certain things in life that cannot be compromised and this is exactly what the Swift did... It's a 1.4i VVT with a luxurious, highly adjustable interior and enough room to comfortably seat four adults.

It brags with a sporty new look, keyless push start-button, a great audio system as well as steering wheel mounted audio controls.

Climate control, electric windows and remote central locking is part and parcel of many luxuries of this beauty!

When it comes to safety, the new Swift has an exceptional 5 star Euro NCap rating. 6 SRS Airbags, ABS with EBD and brake assistance is all part of true vehicle safety.

This car is not only versatile and stylish but an exhilarating driving experience! One that you simply must experience!

At high speed the excellent suspension and power steering makes mince meat of the Rustenburg roads, gripping through corners with perfect balance.

Standard with the New Swift is a 3Yr/ 100 000 km Manufacturers' Warranty; 4 Yr/60 000 km service plan and a 3 Yr/unlimited mileage AA Roadside Assistance. The service intervals are every 15 000 km

or annually. There are 3 various model derivatives to choose from, pricing starts at R 152 900.00 incl vat.

For more information and to book a test drive contact: Sharon Liebenberg on 082 601 6891 or 012 524 9000.
