## Anti-Firearm March

**Rustenburg** – At least 300 spirited people participated in the Anti-firearm march on Monday, 2 May 2011 (Worker's Day).

The goal of this day was to show a "zero-tolerance" attitude towards violent crimes through the use of firearms, especially illegal firearms.

A memorandum was handed over and they took to the streets of Rustenburg. Local Fire, Emergency, Police as well as Traffic personnel formed part of the march.
