

Misjudging Distance & Speed?

Rustenburg – On Sunday evening, at approximately 18h00, a car accident took place at the N4 on-ramp close to the Kloof's T-junction.

According to an eye witness, a Mercedes turned into the oncoming traffic to enter the on-ramp and consequently crashed into a Golf, who had the right of way.

The driver of the Mercedes sustained a severe laceration to his forehead due to hitting his head against the windshield – apparently he did not make use of his safety belt. The driver of the Golf also sustained lacerations on his arm. The Police are currently investigating this accident.
