# Hospice Week: Fun, Informative & Spectacular!

**Rustenburg** – If you were not part of Hospice week during the first week of May, you have definitely missed out. But not to worry – you can read all about it! Not only was Hospice week celebrated in Rustenburg, but also all around the country.

Various activities and displays were hosted by Hospice Rustenburg in and around the Rustenburg area, including numerous areas in the Bojanala District.

In **Wonderkop**, a walk-through-the-village activity, attended by staff and numerous community members was hosted. An informative talk was given by Williams Besong at the Wonderkop Clinic, to convey a message of hope by informing the community of Hospice's functions and services. The day was ended off by an exciting soccer game where Love Life Staff and Lonmin Peer Educators took Hospice staff from Wonderkop and Segwaelane on in a battle.

Another visit was made to the **Boitekong Clinic** as well as a local nursery school where staff met with the local community informing them of the services offered by Hospice Rustenburg.

Displays were also on exhibit at the two **Hospice Second-hand Shops**. Once again the public was informed as to the services rendered by Hospice. At all sites visited, informational posters and brochures were found with

all the needed information. Furthermore, a radio interview was held between Hospice Rustenburg and **Metro FM** during Hospice Week – another way in which to highlight the activities of Hospice Rustenburg within the community.

Yet another display of posters and photos were also placed at the **Waterfall Mall**. The shoppers were given an opportunity to write the names of their loved ones and/or a message on a card which was then displayed on a tree at the stand. Staff and volunteers were available to answer any questions.

Each year Hospice Rustenburg continues to advance its mission of providing free of charge, home-based palliative care to terminally ill people and their families in the Greater Rustenburg and the Bojanala District communities. Through their programs they provide home-based palliative care, nutritional support, bereavement/ support groups as well as orphan and vulnerable children care, and have improved the quality of life for many. Hospice Rustenburg would like to thank the various communities for the interest shown during Hospice Week.

"It is through the ongoing interest and support of the community that we are able to continue supporting our vision of providing excellent palliative care to all," said Ruth Durrant (Hospice Rustenburg).
