Gruesome accident claims 4

Rustenburg and surrounds have over the past few months experienced serious and fatal car accidents like never seen before.

On Sunday evening, four people were killed and five people were injured, three of them critically, when an Opel Cadette and a Mazda bakkie collided head-on on the R24 Johannesburg Road approximately five kilometres outside of Rustenburg, right in front of the Cynthiana hotel.

Among the dead were two babies.

ER24 and Netcare911 worked hand-in-hand at this horrific accident scene. The Opel presumably overtook another vehicle, hitting the Mazda bakkie head-on. The Opel was travelling in the direction of Krugersdorp.

Two adults and two young babies sustained critical injuries and died prior to the arrival of medics. They were declared dead at the scene.

A very worrisome detail that was noticed by the paramedics; two deceased babies were seated on the lap of the woman who died in the front passenger seat.

Another baby boy was critically injured, fighting for his life. The advanced life support paramedics immediately initiated care. The boy was incubated and placed on a manual ventilator before he, along with another seriously injured baby and three adults, were transported via ambulance to hospitals and clinics in the area for the care that they required.

The injured had various lacerations, abrasions and suspected fractures. The driver of the bakkie sustained serious chest-, spinal- and facial injuries.

ER24 and Netcare911 wish to thank the towing services and members of the public who did not hesitate to help.
