# Dynamite's now available in small packages: The Suzuki Jimny 1.3 VVTi

Suzuki Montana recently allowed me to drive the very popular and well acclaimed Jimny 1.3VVTi Manual. The Jimny is a tiny, but very tough off-roader. With its sporty appearance, dual side airbags, air conditioning, central locking, CD front loader and many other luxuries, it certainly is very well equipped – not only for the rough terrain but also for a comfortable drive in town.

Driving on the open road or in-and-around town is truly is superb experience! It hosts all-round visibility and its high performance features makes handling easy for professionals and novices alike, and what's more – it's so easy to park!

The Jimny's off-road capabilities, whether in mud or on steep rutted tracks, is exceptional! With its light-weight chassis and drive train, the Jimny can take you to your favourite isolated beach, your secret fishing spot or your dream camping site – no matter how far or secluded it may be. The Jimny is priced at R188 900. Pricing includes a 4Yr/60 000KM Service Plan, 3Yr/ unlimited mileage, AA roadside assistance and a 3Yr/100 000KM Manufacturer's Warranty.

With all this said, the Suzuki Jimny certainly is the best option in its class!
