3-in-1

Thlabane – On Monday, the 16th of May 2011 at about 20h00, a Toyota Tazz and two Toyota Quantums were involved in a head-on collision on the corners of Nelson Mandela- and Monareng Drive in Thlabane. The cause of the accident is unclear at this stage; however, it is currently under investigation by the Police. Yet, it is suspected that the Taz turned right at the crossing, and into the incorrect lane (a “short run”). An oncoming

taxi subsequently crashed into the Taz. Seconds after the crash, a second collision occurred when a second taxi collided with the first taxi, driving straight into the first taxi's rear end. The driver of the Tazz sustained serious injuries including a fractured knee, as well as chest- and abdominal injuries. No other serious injuries were reported on scene. He was transported to a local hospital.

If you fulfil these requirements, please forward a comprehensive Curriculum Vitae, quoting the relevant vacancy, to Xstrata South Africa (Pty) Ltd - Wonderkop, Human Resources Department, Private Bag X82325, Rustenburg 0300 or fax: 086 637 2812 or e-mail: bsmit@xstrata.co.za

Wonderkop, a ferro-alloy plant part of Xstrata Alloys, the world's largest producer of ferrochrome, is situated ±20km from Rustenburg near Marikana in the North West. A dynamic individual is required for the following position:

Site Maintenance Co-ordinator

Responsibilities: The successful candidate will be tasked with garden and irrigation maintenance, potable and process water reticulation management, as well as waste and salvage yard maintenance.

Requirements: We seek a person holding a Grade 12 Certificate and a minimum of 2 years' experience in the relevant field. Horticultural and environmental qualifications will be advantageous. A technical irrigation background will be an advantage. A driver's licence, computer literacy (Microsoft Office - Excel, Word and Outlook) and knowledge of SD systems are, however, essential. The role demands medical fitness, the ability to write, read and communicate in English and good interpersonal skills, with the ability to motivate and work in a team.

Please note: Xstrata is committed to operating sound Sustainable Development (SD) practices and strives towards leadership in these areas.

Applicants must take note that general SD requirements apply and that adherence to SD rules will be expected of them.

Xstrata Alloys is an equal opportunity provider. Preference will be given to applicants from the historically disadvantaged groups.

In the event that you do not hear from the Company within a period of 21 days after the closing date for applications, your application should be deemed unsuccessful. The CVs of unsuccessful applicants will not be returned.
