What are your plans for Saturday?

You are invited to a working Saturday on 11 June at Bosman Living Museum in Groot Marico – come help us work and join in on the fun! We provide food and stories and will subsidize accommodation if you want to stay over. Contact Santa on bosman@marico.co.za or 073 908 6677 for more information.

As for what we are planning to do on our working Saturday?
 We are planning to go out to farms to collect ground oxides to plaster with. We will also have to go to farms to collect cow dung that have to be mixed in with the ground. Then the floor of the schoolhouse must be smeared again where local Setswana speaking ladies will help us with that. After that, the walls must also be patched with mud. Furthermore, the garden at the museum terrain needs attention. As you can see, hard work from community members is needed in the name of a good cause. Any help would be deeply appreciated. There is also work to organise in the kitchen to make food for the workers. After a hard day's work it will be time for fun!!! We will sit around a fire with coffee and papatas and listen to remarkable stories. Come and join us! Show off your part in our rainbow nation.
