

RTB Business Support Centre WEALTH created through Knowledge

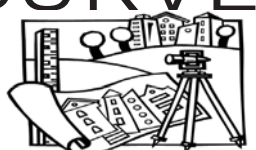

Rustenburg – The official opening of the Rustenburg Business Support Centre, sponsored by Xstrata Alloys (SAGE WISE) recently took place on Friday, 27 May 2011.

The purpose of this centre is to develop sustainable SMME enterprises and suppliers at all levels of procurement which includes services, consumables and capital goods. This comprises of companies that are owned, managed and staffed by historical disadvantaged individuals. The main functions and services of this project are to provide capacity building through the Business Support Concept, whereby the SMME is assisted and supported with the following listed services as a part of the programme:

- Skills development in business-, financial-, risk- and time management;
- Support to comply with all statutory requirements and submissions;
- Feasibility studies, business plans, due diligence reports and business profiles
- Other related support services; and
- SETA accredited short courses in all the pillars of business management.

If you fulfil these requirements, please forward a comprehensive Curriculum Vitae, quoting the relevant vacancy, to Xstrata South Africa (Pty) Ltd - Wonderkop, Human Resources Department, Private Bag X82325, Rustenburg 0300 or fax: 086 637 2812 or e-mail: bsmit@xstrata.co.za

Wonderkop, a Ferro Alloy plant part of Xstrata Alloys, the world's largest producer of ferrochrome, is situated ±20km from Rustenburg near Marikana in the North West. A dynamic individual is required for the following position:

IT Technician

Responsibilities: It will be up to the incumbent to maintain and service existing IT infrastructure and provide first-line desktop, printer and server support. He/she will also be responsible for planning, organising and monitoring his/her own functions.

Requirements: To make a success of this role, candidates will need Microsoft A+ and N+ certification and 2 year's working experience, which must have included relevant work in a Windows desktop and server environment. MCSE/MCITP and work experience in a service delivery environment would be advantageous. The ability to function independently in a pressured environment, necessitating good interpersonal and administrative skills, is important. A valid Code 08 driver's licence completes the profile sought.

Please note: Xstrata is committed to operating sound Sustainable Development (SD) practices and strives towards leadership in these areas.

Applicants must take note that general SD requirements apply and that adherence to SD rules will be expected of them.

Xstrata Alloys is an equal opportunity provider. Preference will be given to applicants from the historically disadvantaged groups.

In the event that you have not heard from the Company within a period of 21 days after the closing date for applications, your application should be deemed unsuccessful. The CVs of unsuccessful applicants will not be returned.
