House Burnt to the Ground, Child Passed Away

Rustenburg – In the spirit of Ubuntu, the Rustenburg Local Municipality has donated food and other parcels to the Motswagosele family after their house was destroyed by a fire over the weekend. The Motswagosele family was left stranded and helpless. The cause of the fire-outbreak is believed to be to a faulty paraffin heater setting the house alight. Three family members were seriously injured. They were stabilized on scene before they were taken to a nearby hospital. Regrettably, one of the children passed away on Monday, 20 June 2011 due to the extent of the burn wounds. “We offer our sincerest condolences. We are devastated by the damage the fire caused. Losing one’s child is an unbearable reality. We will do whatever it takes to assist the family through this disaster,” said Executive Mayor of the Rustenburg Local Municipality, Cllr. Khunou during a visit to the family. In addition, a local construction company has volunteered to help rebuild the house later this week.

Liquor Outlets Closed Down

MEC Tebogo Modise examining a passport and work permit during the non-compliance operation.

The owner of this outlet was fined and ordered to close down, as the sanitary facilities in his tavern did not comply with relevant health regulations.

Mafikeng – Eleven liquor outlets were closed down and 40 liquor traders fined due to non-compliance in terms of the Liquor Act No. 27 of 1989 this past weekend. Led by MEC Tebogo Modise, Premier of the North West, a task team was put together to enforce a liquor compliance operation. The operation included the Premier’s Office Departmental staff, the South African Police Service (SAPS), Department of Labour, and South African Revenue Services (SARS). The blitz was conducted in Mafikeng and surrounding villages. “My Department will enforce strict measures in addressing alcohol abuse and non-compliance

by liquor traders throughout the North West Province. By joining hands with other regulators, we will continue with these operations in the entire province to ensure that liquor traders act responsibly during their daily operations,” Modise reiterated. Apparently the common issues included liquor traders operating during non-business hours, health hazards (specifically related to sanitary facilities), and foreign employees not registered, as well as outdated tax returns. Approximately 53 outlets were visited and fines amounting to R40 000 were issued to illegal traders.
