**Potchefstroom** – The Luca Ciarla Quartet from Italy will travel to Potchefstroom for a concert on Tuesday 19 July 2011 at 19h30 in the Conservatory Hall after similar performances at the National Arts Festival in Grahamstown and Volksblad Arts Festival in Bloemfontein. This Dean's Concert will be the electrifying start of the School of Music's concert series for the second half of the year.

The members of the Luca Ciarla Quartet are currently Luca Ciarla (violin), Vince Abbracciante (accordion), Nicola Di Camillo (double bass) and Francesco Savoretti (percussion). They will present a programme of original tunes and arrangements in which

contemporary jazz and ethnic music happily blend together, creating an irresistible Mediterranean jazz sound. The concert is presented in collaboration with the Italian Cultural Institute in Pretoria.

Tickets for this concert are available during office hours at the Conservatory, tel. (018) 299-1692 / music@nwu.ac.za or from half an hour before the concert at the box office at R50 each for adults and R30 each for learners, students and pensioners.
