

Margate Boogie: Booyaa! Booyaa!

Rustenburg – If you did not join us at the Margate Boogie, you really missed out! But not to fret, you can always catch this week's jumps or join us during our Ranch Boogie which is coming up next from the 5th to 9th August 2011.

"It has been a breath of fresh air to meet such a genuinely passionate and enthusiastic group of such incredibly talented people. Everyone has been so pleasant, helpful, fun and friendly! The organisation, atmosphere, safety and evident professionalism have been quite incredible. It has been an absolute privilege to have observed the boogie and to have jumped here with you guys," said Rose Waterman after completing 2 Tandem Introductory Skydives with us at The Margate Boogie.

What a blast... 92 registered skydivers, 2 Turbine AtlasAngels, two and a half days of great skydiving weather (one and a half days of not so great skydiving weather), 74 loads, 637 descents, 13 500 ft, 15 000 ft and 18 000 ft loads, an average of 7 jumps per jumper! AWESOMENESS!!!!

There were both organised, and disorganised loads, formation Atlas Angel drops, 2Ways, 4Ways, 8Ways, 12Ways, 16Ways, lots of coaching, skills transfer, progression, a great vibe, beautiful scenery, beach landings, parties, hangovers, no incidents and no cutaways. What more can I say?

The Margate Boogie has been put together by Pete Lawson for many years. Pete commented that skydiving in South Africa is "pumping" and that this was one of the best turn-outs for a number of years.

Thanks to Pete Lawson and everyone that had anything to do with making the Margate Boogie a great success. Thanks to everyone who came out (some from seriously far), who supported and enjoyed it all to the max.

As Rob V said "Dankie Maatjies!"
