

# Free as a Bird!

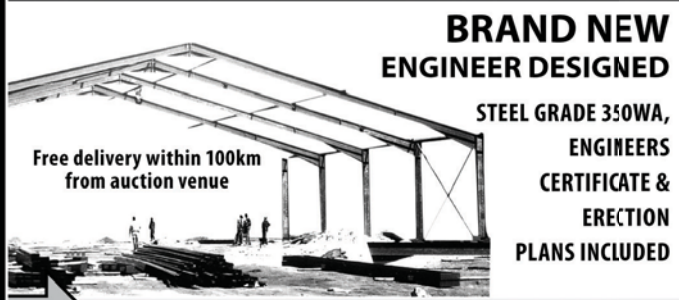

**Rustenburg** – During this weekend (2&3 July 2011), Skydive Rustenburg has exciting activities planned – just for you! Let us know if you intend to come out, what time you will arrive and what you would like to do.

We will have one AFF Instructor, but can get 2 AFF Instructors for Sunday morning – again, subject to enough confirmed interest. Tandem Introductory Skydiving is also possible all

weekend – bookings essential. So... Saturday wheels off 08h30 and Sunday at 08h30ish. Come enjoy a bit of Rustenburg Sky hospitality!

# Tlhalefa (Be wise) Matric Revision Programme

The Progress Association of South Africa (PASA) in partnership with Mindset Learn recognised the need to support Gr10 -12 learners. Due to the low pass rate in 2009, the 2010 world cup and strike by educators, PASA and Mindset embarked on a matric revision program.

The program supports learners in six subjects namely mathematics, physical sciences, life sciences, mathematical literacy, English 1st, and accounting. PASA has established 6 Centres in 3 Municipalities (2 Rustenburg-, 2 Kgetleng- and 2 Moses Kotane Municipality). In these centres learners will be able

to view live broadcast on DSTV channel 319 and interact with lectures (via call centre, facebook and MXit). They will receive learner guides and view DVDs on the mentioned subjects etc.

PASA and Mindset program will commence with a winter school in two centres (Tlhabane Resource Centre and Iketletso High School in Lethabong) from 4th – 15th July 2011 and Spring School from 1st August 2011 – Dec 2011. Each centre will have trained facilitator who runs the day to day facilitation of the multi media centres. Call 079 794 2712 or 014 565 9600 for more information.
