HELP US

Lucky to be alive!

Rustenburg – Travelling in opposite directions, two vehicles – a Ford Fiesta and a Mercedes Benz C180 – were involved in an accident on the Thabazimbi Road (R501) at the East-End area in Rustenburg on Monday 17 July at approximately 02h 13 in the early morning hours.

The Ford Fiesta, which was heading towards Thabazimbi allegedly swerved into the lane of the Mercedes

Benz, which was heading towards Rustenburg and as a result, the two cars crashed into each other, hitting the drivers side of both cars.

Luckily no one was hurt. Both drivers emerged unscathed largely due to the fact that the accident was not a head on collision. According to eye witnesses, the driver of the Ford Fiesta kept on swerving in his lane and is suspected to have been driving under

the influence of alcohol. "He was not driving straight and this means that he might have been drinking alcohol before getting behind the wheel. Luckily, both of the drivers were not hurt," said an eye witness.

The drivers were treated on the scene of the accident by ER24 paramedics and were not hospitalised.

The SAPS is currently investigating.

Rustenburg – A VW Jetta CSL hit a motorbike on Saturday 16 July at about 11h 34 midday near the Waterfall Mall (c/o Waterberg and R24) after the vehicle turned into the path of the oncoming motorbike at KFC.

The bike slammed into the passenger side of the vehicle and was flung over the car. The driver of the bike landed on his shoulder. The motorbike rider, who was luckily wearing all his safety gear, sustained shoulder injuries

and was treated on the scene by ER24 personnel before being transported to a medical facility for further treatment.

This is the 5th accident in a period of two weeks that occurred close to the Waterfall mall.

In familiar surroundings, drivers tend to abandon concentration needed for safe road use. The people who were in the VW were not injured and police are carrying out further investigations to establish further causes of the accident.

VW crashes into motorbike

PARTICIPATION IN A DIABETES CLINICAL TRIAL

If you are suffering from **Type 2 diabetes** and you are:

- 1) Taking oral diabetes medication
AND
