Police arrest ATM bombers

Tlhabane/ Rustenburg – The Hawks from Klerksdorp and Rustenburg have arrested eight suspects in connection with the ATM bombing that took place in Tlhabane. The incident took place on the 20 May 2011 at about 01h30 at an ABSA ATM in Tlhabane GG Shopping Complex.

Police rushed to the scene following the explosion. Upon arrival, the suspects fled while shooting at the police vehicle. The police later recovered the get-away vehicle, which was abandoned just outside Tlhabane.

Two of the suspects have since been positively linked to the crime by fingerprints obtained from the alleged get-away vehicle. They were traced to Mpumalanga while the other two were arrested in Alexander in the Gauteng Province.

Some of the suspects were pointed out by the ar-

rested suspects and they were also arrested. One Scrap Yard owner in Rustenburg was also arrested after he was found in possession of a firearm used during the ATM Bombing.

The suspects appeared briefly before the Tlhabane Magistrate's Court on Monday 1 August 2011 on charges of illegal possession of firearms, explosives as well as the ATM blasting.

Shot by retreating robbers

Rustenburg – Two police officers – a man and a woman – were shot and injured in the line of duty but still succeeded in stopping the robbery of an ATM in the Photosaneng area of Bleskop. On Tuesday 2 August, around 02h30, two police constables came across an ATM robbery in progress while accompanying a complainant to the scene of a house robbery in Thekwane.

"The officers noticed two vehicles suspiciously parked near an ATM and slowed down to inspect the activity," said North West Police spokesperson, Lt. Col. Metsi.

"This is when the suspects began shooting at the policemen. One officer was shot on the right knee while the other was struck by a bullet on the chin which protruded through the forehead. The complainant they [the Police] were travelling with, was also injured on the knee and stomach," added Lt. Col. Metsi.

The suspects got away in a black Opel Corsa and a Toyota Run-X while the police members and the complainant were treated at a local hospital.

"We only know that the vehicles of the suspects have Gauteng registration plates. We are still investigating to get further details," said Metsi.

A total of 16 empty rifle cartridges were found on the scene and police are still investigating to obtain more details.

Stillborn Baby eaten by PIG

Mmabatho/Taung – The police are still looking for the mother of an unborn baby whose body was partially eaten by a stray pig that was busy grazing along Kolong River at Ranstad village in Taung.

This incident took place on Monday afternoon, 1 August 2011, when the owner of the pig – who was fetching wood with his wife along the riverbanks – saw his animal busy eating something strange. Soon they realised that the pig was feasting on a baby's body, most of it already consumed.

The police would like to urge members of the community in Kolong and Ranstad to assist with information that can lead to the arrest of the suspect.

Please remember to report any emergency crime situation to 08600 10111, or visit your nearby police station to report any suspected criminal activities.
