## Hijackings on the Rise

**NW** – For the second week in a row, police in the North West Province are warning motorists with reference to the escalating incidents of carjackings in the area. Lieutenant Sabata Mokgwabone of SAPS North West Headquarters in Potchefstroom advised motorists – especially truck drivers – to be cautious while travelling on the roads.

He said, "The Police in the North West would like to warn motorists regarding car hijackers who sometimes pretend to be hitchhiking. Motorists are requested to always be on high alert and exercise caution when offering people lifts particularly on roads such as N12, N14, N4, R24 as well as the Magaliesburg-Koster Road."

Police further advise motorists to be careful, and not stop for any suspicious grounds e.g. if someone is flicking their lights to sign that you need to pull off. Furthermore, "Motorists should not park and rest at deserted and sometimes dark places, as it makes them vulnerable," said Lieutenant Mokgwabone.

While the police are patrolling some of these roads, it is also important that motorists contact their nearest Police Station or Crime Stop (08600 10111) for any suspected criminal activities.
