INTERNATIONAL  
FERRO METALS  
LIMITED

International Ferro Metals (SA) (Pty) Limited ("IFM-SA") is an integrated ferro-chrome producer situated near Mooi-nooi in the North West Province, some 50km from Rustenburg and only 35km from Brits.

IFM-SA aims to be one of the world's low cost Ferrochrome Producers through the use of latest mining technology and integrated mine and processing plants.

An opportunity currently exists at IFM-SA for a suitably qualified person to join the Company as a:

## INSTRUMENTATION TECHNICIAN

The successful candidates will have to meet the following minimum requirements:

- Grade 12 or N3 equivalent qualification and successfully completed the relevant trade test
- Must be a qualified Instrumentation Technician with a strong installation Instrumentation/Automation/PLC background.
- Relevant Instrumentation/Automation/PLC experience in the Ferro-Chrome environment including Furnaces, and Pelletising and Sintering Plants will be an added advantage
- The incumbent must have a good knowledge on electrical equipment up to 33kV
- The incumbent must have hands-on experience in utilizing planned maintenance systems and must be conversant with the different types of maintenance.
- The incumbent must be able to communicate effectively and work in a team.
- The incumbent must have general knowledge of modern safety practices.

The position reports to the INSTRUMENTATION COORDINATOR and the successful candidates' responsibilities will include amongst others:

- Perform general plant maintenance duties
- Assess and correct malfunctions in good time, within budget, without further damage to plant or equipment and by following the correct standards and procedures.
- Perform planned maintenance according to standards and procedures, within the allocated time and within the allowed budget.
- Perform preventative instrumentation/Automation/PLC maintenance on a continuous basis
- Perform lock out and isolation procedures.

IFM-SA offers competitive remuneration package on a CTC basis, as well as other benefits. Interested persons, who meet the above requirements, must send their applications to:

TO REACH US NOT LATER THAN: 29th August 2011

If you do not hear from the Company within 21 days after the closing date, you must consider your application as being unsuccessful

## Caught in their Tracks...

Klerksdorp – The Police elite unit (the Hawks) in the North West, the Potchefstroom Flying Squad, the dog unit and Tactical Response Team of Klerksdorp made yet another breakthrough after arresting seven suspects following a business robbery at the MTN store, Game Shopping Centre in Klerksdorp. It is alleged that on Tuesday, 16 August 2011 at about 9h00, four suspects entered a store with firearms while the other five waited outside in the vehicles.

The suspects threatened the workers and robbed the store of cellular phones and an undisclosed amount of money. After robbing the store, the suspects fled the scene in two getaway vehicles, a Volkswagen Jetta and a Toyota Hi-Ace minibus with GP Registration.

Police traced the suspects to the Vierfontein – Viljoenskroon road. The suspects were tracked down along the Potchefstroom-Viljoenskroon road. After the Police managed to pull the vehicles over, suspects tried to flee on foot. Seven of the nine were arrested.

A police chopper was called in to assist from the sky as the suspects were hiding in long grass near the road on the neighbouring farms. Inside the minibus, Police recovered stolen cellular phones to an estimated value of R500 000. During the time of releasing the statement, the SAPS members were still at the scene, searching for the remaining two suspects.

The Provincial Commissioner of the North West, Lieutenant

General Zukiswa Mbombo commended members for their swift reaction in apprehending the suspects and recovering the stolen property. The suspects – who were charged with business robbery – appeared before the Klerksdorp Magistrate's Court on Thursday, 18 August 2011.
