Rustenburg – Thursday, 8 September is the day that will probably remain embedded in the memory of Elizabeth Sekete forever!

After a long and seemingly endless battle to restore her poor eyesight that included visiting a local hospital for more than two years, Elizabeth received a helping hand from the Lions Club in Rustenburg, which donated a pair of spectacles that im-

mediately restored her visual sight. The Platinum Weekly was there to see Elizabeth almost bursting into tears of joy as she received the spectacles. "She has been going to the hospital for more than two years and I thought that I could assist by calling the people at the Lions Club for their assistance," said Ms. Dalores Paver of Salon 3's company. "I then wrote a letter to the Lion's Club and they came and helped her.

This is a surprise for her, she did not know that she would be getting the spectacles today," added Ms. Paver. The president of the Lions Club in Rustenburg, Mr. Derek Frost together with his wife Lettie (who is also a member of the Lions Club in Rustenburg) says they are going to assist Elizabeth even further. "We are going to make an appointment with a doctor in Pretoria and

then we will see if there is need for her (Elizabeth) to be operated on. We hope that by assisting her, we will assist in transforming her life for the better," said Mr. Frost.

An excited Elizabeth could not hide her joy! "Thank you, this is the happiest day of my life," she said before giving everyone – including the Platinum Weekly crew – **a huge hug!**
