3 Buses set alight

Madikwe – Madikwe Police are investigating a case of malicious damage to property after three buses were set alight during the early hours of Thursday 15 September 2011 (at around 1h30) at the Tlokweng Village.

A security guard of Bojanala Bus Services was the only one on duty, when he heard strange sounds and dogs barking. Upon investigation, he found three of the company's buses engulfed in flames. Further investigations led him to discover a huge hole in the fence. At this stage no suspect(s) has been arrested and the motive for the incident is still unknown.
