# Mayoral Imbizo rolls into Mfidikwe

**Rustenburg** – The community of Mfidikwe got the rare opportunity to speak out on issues affecting their area during a Mayoral Imbizo that was held at Mfidikwe Primary School on Wednesday 14 September.

Present at the Imbizo was the executive mayor of Rustenburg, Cllr Mpho Khunou, MMC for Technical Services and Infrastructure Cllr Happy Serongwane, Rustenburg Local Municipality Acting Municipal Manager, Mr Victor Makona and other representatives from the municipality.

During the deliberations, residents in the area pointed out that their councillor was not spearheading the transformation needed. They pointed out the need of viable projects that would

lead to more people securing employment in the predominantly mining area. "We would like our councillor to be more transparent in the way he does some of his duties," said a concerned resident. Responding to some of the queries, Cllr Khunou warned residents against selling RDP houses constructed for them.

"You should stop renting out or selling RDP houses that are built for you to live in. We have heard of such reports and these practices must stop," said Cllr Khunou.

The mayor also instructed the councillor in the area to do a skills audit so that the Municipality would be in a position to assist those who are not employed.
