

# Luiperds & Leeus...

**Potchefstroom** – Die Luiperds speel Saterdag in Potchefstroom gasheer vir die voorste span in die Curriebeker, die Leeus. Onthaalpakette is teen R200 p/p beskikbaar wat 'n parkeerkaartjie, versnaperings en twee biere/ drankies insluit. Kontak Henry Stewart by 084 587 6369 vir meer inligting.

Kaartjies vir die wedstryd is te koop by die stadion en Computicket.

Die WP het Saterdag in Kaapstad 'n vroeë aanslag deur die Platinum Luiperds nek omgedraai om uiteindelik ses drieë te druk in hul sege van 49-21, maar mooi was dit nie rêrig nie.

Die besoekers was vinnig uit die wegspringblokke en het binne die eerste 20 minute reeds twee drieë – deur Whestley Moolman en Joubert Engelbrecht – gedruk vir 'n indrukwekkende voorsprong van 14-3. Die tuispan het nie geweet wat hulle tref nie en was in hierdie tyd blote toeskouers terwyl die Mielieboere al die rugby gespeel het. Die WP het in hierdie tyd gesukkel om hul ritme te vind. Maar toe Tertius Daniller uiteindelik na 20 minute druk, was dit die inspuiting wat die WP nodig gehad het, want hierna het hulle begin rugby speel.

## Comrades Medallists take gold

Top local and international Comrades Marathon competitors rose to the occasion at the prestigious IAU World Championships in Europe this past weekend. Now in its 25th year, the International Association of Ultra-runners (IAU) World and European Championships was held in the Dutch city of Winschoten on Saturday, 10 September 2011.

Organisers say the ultra-marathon had attracted a record number of participants this year, with more than 230 athletes representing 35 countries in the 100km race. Among the 'cream-of-the-crop-runners' were South Africa's very own Lindsay van Aswegen and Kerry Koen who run for Toyota Athletic Club and Nedbank Running Club respectively.

Race Director of the Comrades Marathon Association (CMA), Johan van Staden says: "We are very mindful of the fact that South Africa has some of the world's best runners who have consistently shown their mettle during many Comrades races. It is especially pleasing to see these high performance athletes going on to prove their might at top international running events such as the IAU World Championships. Last but not least, it is gratifying to note that our international Comrades runners are making their mark elsewhere and have also signalled their intention to take on the Ultimate Human Race challenge in 2012."
