Platinum District Municipality marks Heritage Day

Khaya Khulu

Rustenburg – The Bojanala Platinum District Municipality, led by its Executive Mayor Cllr Louis Diremelo, will this year commemorate Heritage Day at the Ebenezer Heritage Site in Kayakuli Village on Saturday, September 24, at 10H00.

This follows an invitation from Kgosi Zibi of the Amahlubi Traditional Community for the celebrations to be held at this historical site. Heritage Day – 24 September – is a Public Holiday on which South Africans across the spectrum are encouraged to celebrate their cultural heritage and the diversity of their beliefs and traditions, in the wider context of a nation that belongs to all its people. South Africans celebrate Heritage Day by remembering the cultural heritage of the many cultures that make up the population of South Africa. Various events are staged throughout the country to commemorate Heritage Day. Increasingly, South Africans are beginning to appreciate what we have inherited and what we are collectively capable of. Similar to the rich and diverse natural resources of this beautiful land and its wildlife, we have a productive diver-

sity, caring strength and creative ingenuity that is building a country that is adored and envied by the world. To most of the world, we are viewed as having so much to offer to all of our citizens and the rest of the international community. Our country has successfully transformed from a recluse, trade embargoed state to a stable and prosperous democracy, resulting in South Africa being respected and revered internationally for its most progressive constitution.

South Africans have shown their ability to turn a tragic situation into a lesson for the world – our transition to a democratic state was expected to be marred by violence and retribution, but instead it was an astounding lesson in reconciliation. The world comes to South Africa to see its beautiful skies and beaches, Table Mountain and the game reserves, which always fulfil their expectations. However, what amazes and surprises visitors is that they fall in love with the warmth and friendliness of our people, which always entices them to come back for more South African smiles and caring attitudes.
