Handbag Auction a HUGE Success! In Aid of the Guide Dog Association SA

Rustenburg – Ladies from far and wide joined the North West Women's Agricultural Union (WAC) on the 17th September 2011 for a Handbag Auction as a fundraising event in aid of the Guide Dog Association of South Africa. This splendid occasion was an ideal opportunity for social networking and marketing. Ladies from each branch in the Platinum Region created a handbag of

excellent craftsmanship, and used 'celebs' to form the basis of the theme for each handbag. During the get-together, these handbags were auctioned at the highest bid. The guest speaker, Ronèl Minnaar, focused on one of Joy Weiss' books, 'Take your life for a ride'. She said, "Life is what you make of it. Do not focus and fester on negative aspects of life, rather throw these thoughts aside, because you cannot change it if it

rules you. Be positive in the full sense of the word, go out, set goals and follow them through! Enjoy each moment!!" Alta van Aardt reiterated this and added, "Thank you from the bottom of my heart, for every single lady that was involved in this project. Without you this project will not have been possible!"

Join us in spreading Ubuntu!

Rustenburg/ Chaneng – On Friday 16 September, Mami Tsobo (Hlompho Modelling Agency in Rustenburg) and friends contributed foodstuffs to pupils of the Bonwakgogo Primary School in Chaneng (Boshoek district). The School identified 120 kids who are in desperate need. "Although there is already a well organised feeding scheme currently in place at

the school, the buck does not stop here. These kids go to school on an empty stomach. They live in difficult circumstances and can only rely on themselves to survive, and that is why we decided to intervene," Mami said. On the photo (right) FLTR is Mrs. Dinale (the needy kids' programme runner) Mami, Gertrude Moerane who initiated the plea of these children and Miss. Rustenburg 2010. Gertrude also works as a volunteer at the school. If you are interested to contribute towards similar projects, join us in spreading the Ubuntu – please contact Mami on 079 332 9280. Ubuntu speaks particularly about the fact that you can't exist as a human being in isolation. It speaks about our interconnectedness. Nelson Mandela explained Ubuntu as follows: Ubuntu does not mean that people should not enrich themselves. The question therefore is: Are you going to do so in order to enable the community around you to be able to improve?

Stoepsit @ Meerhof Lodge

Hartbeespoort Dam – Eugene Marias, a son on our Valley, worked as an ethologist (animal behaviour) with international acclaim. He is possibly the father of entomology in South Africa, a founder of the Afrikaans language, a free thinking journalist who challenged Paul Kruger, a pioneer of South Africa whose work and thinking helped shape the early development of our country... But tragically a morphine addict who took his own life in Broederstroom. Based on Leon Rousseau's book "Die Groot Verlange", Prof. Eric Holm will

talk about Eugene Marais' life and his contribution to science. Come and Stoepsit @ Meerhof Lodge to enjoy a "regte Boere" meal on the terrace whilst having the benefit of Prof Eric Holm's interesting talk.
