Beware of fraud during Census

Rustenburg – With the South African Census process beginning, people are advised to be cooperative, but cautious, so as not to become a victim of fraud or identity theft. The first phase of the 2010 Census is completed where Census Workers verified the addresses of households across the country. Eventually, more than 140 000 Census workers will count every person in South Africa (START DATE 10 OCTOBER 2011) and will gather information about every person living at each address including name, age, gender, race, and other relevant data. While the Census Bureau might ask for basic financial information, such as a salary range, **YOU DON'T HAVE TO ANSWER ANYTHING AT ALL ABOUT YOUR FINANCIAL SITUATION.** The Census Bureau will NOT ask you for your bank account, or credit card numbers, NOR will employees solicit donations. Any one asking for that information is NOT with the Census Bureau.

Ouma, Oupa... Ons is lief vir julle!

Nadine en haar ouma vier saam met ATKV Centurion, Seniorsweek in SA en Internasionale Dag van die Bejaardes 26 September 2011.

Nadine se ouma Helleen, het twee van die liedjies wat Nadine gesing het, nl. "Dankie Liewe Ouma" en "Tiekie se Koffie" geskryf en gekomponeer. Sy het self ook aan die program deelgeneem en nog 'n liedjie wat sy ook geskryf en gekomponeer het, "Huisie in die Vrystaat" saam met Max van Heerden gesing. Verskeie sangers wat liedjies oor 'n oupa of ouma geskryf en/of gekomponeer het, het saam met ATKV Centurion Seniorsweek in SA en Internasionale Dag van die Bejaardes gevier.

Petru Wessels en Carel Trichardt het die wenopstelle van ons landwyse Opstel kompetisie met "oupas en oumas" as tema voorgelees, terwyl Min Shaw en Lance James hul bekendste liedjies soos "Jy's my Liefing" en "Dankie" gesing het.

Die dag was gevul met pret en plesier saam met oupa's en ouma's... en as jy lank laas 'n draai vir hulle gemaak het... NOU is die tyd. Gee 'n roos vir Ouma, en deel 'n paar grappies met Oupa. Hierdie tye is goue herinneringe!

Vir enige navrae kontak Sakkie Kotze (Voorsitter ATKV Centurion en ATKV Direksielid) gerus by 082 925 1488 of besoek www.tak.co.za.

Nadine en haar ouma Helleen Wentzel

FINANCIAL MARKETS IN A NUTSHELL

Do you invest in the stock exchange? What about your friends and family?

If you're one of the many who feel that you don't know enough, and would like to know more then please join us at one of our public seminars, that will not only educate, but also encourage people to invest in the stock exchange.

Join us – and learn to earn.

RSVP by Tuesday 4 October 2011 to Waldemar Budeli at seminars@jse.co.za or 011 520 7128

Building a world-class diamond group

Petra Diamonds

Cullinan Diamond Mine (Pty) Ltd

Cullinan Diamond Mine, part of Petra Diamonds, is situated in the town of Cullinan, 30km east of Pretoria. The Mine is currently mining at a depth of 747 metres, using mechanised trackless block-cave mining.

Mining Engineer

The incumbent will be responsible for the detailed mining planning of the trackless development of the proposed new block caves at Cullinan Diamond Mine, as well as ensuring the smooth integration of the new blocks with current production block caves and providing input to the project team on the feasibility, financial analysis, life of mine planning, etc of various options proposed for the new block caves.

Requirements: • BSc degree/National Diploma in Mining Engineering • Mine Manager's Certificate of Competency (Hard Rock) • At least 5 years' practical and project experience in a trackless environment • Experience in inclined and vertical shafts will be an advantage • Experience in project planning • Familiarity with programs such as Excel, MS Projects and Arena • Working knowledge of a block cave will be an advantage • Exposure to mine automation will be an advantage • Independent, self-motivated, proactive thinking and ability to do own job planning • Sound verbal, written and interpersonal communication skills in English. **Ref. 115/2011**

Maintenance Overseer

Applications are invited from suitably qualified applicants who will be required to oversee the foreman in the Ground Handling section underground, as well as to manage the section effectively.

Requirements: • Qualified Artisan with a relevant Trade Certificate/National Technical Certificate 3 - (NTC 3) from a recognised/accredited training institution • Computer literate in Microsoft Office and the Windows System • Minimum of 2-3 years' supervisory experience as a Foreman • Minimum 2-3 years' experience in budgeting • Minimum 2-3 years' experience in auditing inspection and in scrutinising engineering equipment • Knowledge of Planned Maintenance systems • Sound knowledge of various disciplines in the section • Ability to plan, organise and prioritise • Good customer and interpersonal skills • Good management skills • Ability to function independently and as part of team • Self-motivated, proactive thinking and ability to do own job planning • Good verbal and written communication skills in English. **Ref. 092/2011**

Boilermaker

The incumbent will be responsible for the maintenance of underground and/or surface equipment and construction of new projects in accordance with sound engineering practices and equipment specifications.

Requirements: • Qualified Boilermaker with Trade Certificate at recognised/accredited institution • Valid Code EB (08) public driver's licence • Minimum of 2 years' post-trade test experience as a Boilermaker in an underground and/or surface workshop • Competence in MS Projects will be an advantage • The ability to pass the Vienna Assessment (Level 2) (test to be done on the mine) • Sound verbal, written and interpersonal communication skills in English • High level of multiskilling • Ability to work overtime, be on standby and be available for call-outs should the need arise. **Ref. 116/2011**

Miner

The incumbent will be legally responsible for underground mining operations, which range from trackless production, development and support through to track-bound haulage systems.

Requirements: • Blasting Certificate or equivalent certificate for Scheduled Mines • Grade 10 with English literacy and numeracy • 2 years' experience in an underground trackless mining environment • Valid Code 08/EB public driver's licence • Strong leadership capability • Ability to work with people and motivate them • Willingness to work shifts and overtime • Basic computer skills • Working knowledge of mechanised block cave environment will be an added advantage • Ability to pass the Mine's induction programme. **Ref. 099/2011**

Cullinan Diamond Mine is an equal opportunity employer. Preference will be given to suitable candidates from the designated groups, in line with the company's Employment Equity Policy and Plan. Pre-screening, profile testing, on-mine assessments, medical and security clearances form part of the selection process. Short-listed candidates will be required to attend a panel interview. Employment is subject to passing on-mine induction and the aforementioned criteria.

To apply for one of these positions, forward a Curriculum Vitae to Susan Schroeder in the Human Resources Department at Private Bag X1015, Cullinan 1000 or e-mail: susans@petradiamonds.com or fax: 086 2411 015, indicating the relevant reference. If you have not had a response from us within 30 days of the closing date, kindly accept that your application has been unsuccessful.

Closing date: 7 October 2011
