**CREATIVE CLUEDO**

A Brutal murder at Poitchefstroom Academy. Six suspects. Six possible suspects. The game of Cluedo comes to life during our interior design annual art exhibition. Was it General Green with the candlestick? In the dining room? Was it Colonel Malabar with the revolver? Was it Mrs Peacock? Professor Plum? Mrs White? Or Miss Scarlett? Where? What? Who? The plot thickens. Come unravel the design scene. The interior design students of 2011 have left some evidence of hard work.
