

# Farmer fights 5 attackers, kills 1

**Limpopo/ Trichardtsdal** – A farmer shot and killed an armed man who attacked him with a panga, Saturday, 1 October 2011.

Police claim five men armed with pangas tried to rob the farmer of copper cables in Trichardtsdal, south of the Maake area, when the brawl ensued. However, it is alleged that the men armed with pangas (cane-cutters aka machetes) assaulted the farmer immediately upon arrival on the farm. According to Lieutenant Colonel Mohale Ramatseba, "Five men entered the unnamed farmer's property at

around 13h00 on Saturday afternoon and struck him on the head with pangas." The injured farmer managed to draw his gun and fire several shots at the intruders. A thirty-year-old man died on scene after he was shot. His accomplices fled the scene and nothing was robbed. It is not known why the police presumed that the men intended to rob the farmer.

The farmer was admitted to hospital with "minor injuries". An inquest docket was opened and the four men are still at large.
