Disaster struck Kanana, Rustenburg

Rustenburg/ Kanana – The Bojanala Platinum District Municipality in cooperation with the Rustenburg Local Municipality are in the process of assisting families that were affected by heavy floods and wind-storms in Kanana on the evening of Sunday 2 October, 2011.

Disaster struck when numerous families' homes were destroyed. A spokesperson at the Rustenburg Local Municipality told the Platinum Weekly that the affected families were provided with food and other forms of assistance after the violent floods and winds caused extensive damage to the shacks and homes that they are living in.

Disaster management teams from Rustenburg and Bojanalala Municipalities assisted the distraught families from Monday, repairing roofs and other damages to property.

"It would be better for the Municipalities to construct RDP houses for us. This would be a sustainable long-term plan to prevent floods and winds to affect us this dramatically. We urgently need RDP houses," said one of the affected Kanana residents who spoke to the Platinum Weekly earlier this week.

Tornadoes rip through SA

Hundreds of people were left homeless when a tornado tore through the Duduza Township near Nigel, east of Johannesburg, on Sunday 2 October 2011.

"One hundred and five individuals were injured," said ER24 spokesperson Andre Visser. The R550 road in Nigel was closed due to fallen trees.

Gauteng health MEC Ntombi Mkgwe and Ekurhuleni mayor Mondli Gungubele were on the scene to assist where possible.

In the meantime, earlier on Sunday, a nine-year-old boy was killed and 42 people injured in when a tornado ripped through Ficksburg in the Free State.

"One person was killed, and more than 1000 houses were destroyed," said Netcare 911 spokesperson Chris Botha. Hundreds of people were left homeless.
