Poachers hit KNP... again

Kruger National Park – According to a spokesperson, two (2) white rhinos were killed by poachers near the Albasini Road in the Pretoriuskop ranger section of the Kruger National Park, on Tuesday, 11 October 2011.

The carcasses of a cow and her calf were discovered on Tuesday morning, said William Mabasa. It was unclear when they were killed.

"Only the horn of the cow was removed. This is truly a despicable act and we would like to encourage everybody to come forward and report any suspicious movements," said Mabasa.

In the meantime, a recently held meeting of the Minister of Water and Environmental Affairs, Edna Molewa, and the provincial MECs responsible for environment (MINMEC) has recommended that a moratorium on hunting of rhinoceros be considered as a last resort after all options have been explored. The meeting also revealed that since January this year, a total of 324 rhinos have been poached and 186 suspects have been arrested in relation to rhino poaching activities.

"I lied" admits ET witness

Ventersdorp – A witness in the trial of two people accused of killing Eugene Terre'Blanche admitted on Wednesday (October 12) to lying and changing his statement.

This was done on the instruction of investigating Officer Captain Tsietsi Mano, police Sergeant Jack Ramonyane told the High Court sitting in Ventersdorp.

The court heard that Ramonyane submitted two statements to police — one on the day of the crime and the other a few weeks later. In the second one, he had changed several details.

In his first statement, the officer said Terre'Blanche's trousers were halfway down when they found his body, but in the second statement he denied this. He had also said that farmworker Chris Mahlangu phoned the police first, but later claimed it was the minor.

The two are accused of beating and hacking to death the right-wing leader in his farmhouse in April last year. Several other contradictions were found.

Four others took the stand on Monday and Tuesday and claimed the pair admitted to the crime shortly after it had happened.

The minor, who left school to become a herdsman for Terre'Blanche's 97 cattle, has denied involvement in the crime.

Both accused have pleaded not guilty to murder, housebreaking, and attempted robbery with aggravating circumstances.
