# 'We are living in filth'

20 Church Street, Rustenburg

8 Barnard Street, Rustenburg

20 Church Street, Rustenburg

**Rustenburg** – Residents living in the Rustenburg East area have urged the local municipality to urgently address problems related to burst sewerage pipes and litter which have made their lives unbearable. Leon Brits of number 8 Barnard Street appeals to the municipality to help in clearing the filth that has accumulated

along the street near the corner with Zending Drive. "Clients of the tavern and café across the street cause the problems. They just litter and dump everything in the street, and even worse – they urinate on our walls. The municipality should assist us urgently," said Leon. In a separate case, Marie Dodgon – who

lives at number 20 Church Street – is furious at the rising levels of sewerage water that has accumulated in her yard after a nearby pipe burst. The water level keeps on rising and although she has raised the issue with the Municipality, she has not yet been assisted – in a development that will pose a serious health hazard to her family.
