Stars seek victory over Chiefs

VS

Rustenburg/ Phokeng – A comprehensive 4 – 1 League victory over Santos last weekend will boost the confidence of Platinum Stars ahead of a tough encounter against Kaizer Chiefs in the first round of the Telkom Knockout on Sunday. Two goals from Henrico Botes, another by Reuben Thebakeng and an own goal by Santos' Ricardo Skipper saw 'Dikwena' coast to their biggest home win since they beat Maritzburg United 4 – 0 in April 2009.

The win maintained Stars' unbeaten home record this season. They now have taken 10 points from a possible 12 in front of their own fans. "It was a good win for us because we will go into our preparation for the match against Kaizer Chiefs on a very positive note," said Platinum Stars' Media Liaison Officer, Aubrey Molobi. "The win displays a significant light, as we remain unbeaten at home. We will be facing the Kaizer Chiefs at our home crowd, the Royal Bafokeng, which will give us momentum as in previous matches," he added.

Training Super Stars!

Ronelle Marias (Moorriver Nedbank Branch Manager), Maleke Matolong (Chairperson of Junior Leagues), Thapelo "Spashino" Sebetsiwa (Tlokwe Youth Development) and winners of 2011 October School Holidays.

Potchefstroom – Maleke has recently successfully linked the Potchefstroom League to the established, reputable academies of the likes of Orlando Pirates and SAFA-Transnet School of Excellence with the exchange programs. The second phase is to link the entire 2000 plus children with the North West University, Potchefstroom Campus, to boost the educational improvement program Ikataleng.

"This is in line with our vision of developing an 'Intelligent Player' who is greatly talented, well trained, competitive, disciplined and well educated. The NWU is strategically positioned for this goal due to their capacity and capability of adding value to the league junior structure," said Maleke.
