

New Range Rover Now in Town!

Rustenburg – The all-new superbly designed Range Rover Evoque is created by Range Rover designers to make every journey more personal... and is now in Town!

Prestige and ultimate luxury together with dynamic combinations of exterior colours as well as many personalization options for every individual, also makes the deal so much sweeter. This pleasure-enhancing vehicle features state-of-the-art turbocharged four-cylinder engines – latest on the market.

Diesel vehicles feature the latest 2.2 litre turbo-diesel, available as 140 kW(SD4) to deliver superb torque (420Nm). The Si4 petrol engine is a 2.0 litre engine with the latest direct-injection technology advanced turbo-charging, available as 177kW (Si4) to deliver 340 Nm. Come to view this Beauty at the Leon's Auto Dealership (Waterfall Mall) and book a test drive!

Drag Racing

400 & 800 Spoedtoets
29 Oktober 2011:
Rtb Vliegveld

Rustenburg – Die groot dag vir die "Tyre Burners" en motorsport liefhebbers... die oomblik van waarheid het aangebreek. Die laaste "tuning" is nou gedoen, en nou is dit oop kele pappa... Die nitro's moet laat loop!

Kom geniet hierdie dag saam met die gesin, die hele gesin, bring maar vir skoonma saam, want daar is heerlike kos stalletjies wat lekker vetkoeke, pannekoeke, wors rolle en vele meer gaan opdis.

Daar is ook plek vir skoonpa – die biertuin belooft om yskoue Germaanse bruis drankies te bedien, en die kiddies kan die spring kastele gate uit geniet!

Vroulief kan na die nuwe modelle loer wat uitgestal word, en manlief kan die brullende drags geniet... Dit kan mos net lekker wees, of hoe my bra?

Opwinding gaan daar genoeg van wees met sommige van die manne wat sommer baie groot wil gaan, 300 km/h op die 800 meter! Moet nie die opwinding misloop nie!!!
