

SUPERSPAR BRINGS SMILES TO MORESTER KINDERHUIS

Rustenburg – Friday October 21 proved to be a day filled with fun and games for children at the Mōrester Kinderhuis as staff from Rustenburg Square SUPER SPAR took some time to interact with the disadvantaged kids. SPAR grocery products worth R8 000 were also donated to the children's home as part of SUPER SPAR's efforts of playing a part in assisting the community. These efforts were also part of the Sparlympics programme that is being implemented by the retail giant. Audrey Mphela – the project manager of 'The Green Beret' team for the Sparlympics – said, "This is part of the Sparlympics. We do a charity campaign where the retailer donate stock to charity. We are sure that these donations will help the children." Lawrence Stewart – who also works at Spar – said the experience he had while interacting with the children was a very humbling one. "I have been quite humbled to meet these children who do not have parents. This fun day which forms part of our community drive, was an eye-opener to me" he said. Apart from the groceries, the children were also given school bags with stationary that include, pencils, pens, rulers and crayons amongst other things.
