Help us change 2 lives

Rustenburg – Dear Readers... We at Tsele Financial Consultants are writing you this article because we want you to help us change two lives. We would like to add in making a tremendous change in the lives of Nikita and Zildjan.

We need to raise R200 000 to accomplish these goals and we cannot do it without your support and help.

Zildjan is 4 years old and suffers from a rare blood disease that affects his brain which will leave him totally paralyzed if left untreated. He needs to go to England to get a specialized operation to fix this problem.

Nikita is 3 years old suffering from blindness and deafness due to complications during birth. On top of this, she needs a heart transplant, including an ear- and eye operation.

These operations and treatments are tremendously expensive and therefore we, at Tsele Financial Consultants, are planning an auction to enable us to raise funds for these two children. The auction will be concluded with a 3-course meal and a lovely dance.

We will, if everything goes accord-

ing to plan, have a lucky draw with a big prize, but we are also hoping for a donation to be able to accomplish that.

We are planning to sell the tickets at R200 per person, but before we finalize anything we would like a response from you to see if it will be worthwhile.

This is for a really good cause, to try and help two children to live a full life with everything they can possibly get out of it. If you could please open your hearts towards this project and assist us in raising funds for these two children.

We will finalize arrangements for this function as soon as we know how much interest there is in this project, we are planning to host the function 12 November 2011.

If you could please take the time to respond to Samantha at ss.saayman@hotmail.co.za or phone her on (014) 592 1056 we would really appreciate it.

Thank you so much for taking the time out of your busy schedule to read and respond to this very needy cause, we look forward to partnering with you in changing the lives of these two children.

No I won't back down...

Rustenburg – 17-year-old Christel Anker suffers from a terminal disease. But this brave young lady did not stand back when she was approached by 'Reach for a Dream Foundation'. After two years her dream came true...

She had the opportunity to record a song with Juanita du Plessis, 'Tussen Woerde' and believe me when I tell you – she sang her heart out!

Due to Christel's condition, Juanita came to the Life Peglerae Hospital to record the song with courageous Christel.

"We would like to take this opportunity to congratulate Christel for being such a brave person – her light shines brightly and she is one of those patients who make your work worthwhile," said Life Peglerae Hospital members. "May God bless you!"
