Nare Travel Tours

Nare Travel Tours, a touring company based in the North West, added another feather to its cap after winning the 'Best Tour Operator Of The Year Award' for 2011 during a glittering event that was held on November 2 in Potchefstroom. This is the fifth award that the company has scooped since it was established in 2007, which is further proof that it has risen to become one of the leaders of this industry in the country.

The award carries a certificate, trophy and a cash prize of R10 000. "This is a huge motivation for me and my entire staff," said Tebogo Nare, owner/general manager of Nare Travel Tours. "We are happy that we are growing and it is encouraging when we win these awards because it shows that

there is recognition for what we are doing from those within the industry.

"We will be concentrating on expanding our operations so that we can accommodate domestic and sports tourism more than we have been doing. We also want to grow by expanding our operations to countries like Tanzania, Kenya and Zanzibar," added Tebogo.
