

Stars, 1st point on the Road

Rustenburg/ Phokeng – Platinum Stars picked up a potentially precious away point against Free State Stars in Goble Park in Bethlehem on Saturday when they managed a 0 – 0 draw that reinforced the progress they have been making during these past weeks.

The result arrested a run of five successive away losses for Dikwena and represents their first point on the road this season. The club now moved up to 12 points from 11 games so far this season, and sit just one win away from a place in the top eight. After success last weekend in the OR Tambo Challenge, Platinum Stars players were up for a tussle and showed their commitment throughout the 90 minutes of the match. Bethlehem is a notoriously difficult destination for away-teams but the Stars stuck to their game plan to hold out for a goalless draw. They had two early free kicks that Elias Ngwepe hit wide.

Coach Owen Da Gama handed Terrence Mandaza a chance to lead the attack in the absence of the injured Henrico Botes, but he had few chances during the game. Da Gama made a double change with 30 minutes left to try and establish ascendancy in the game, but it was goalkeeper Siyabonga Mpontshane who needed to make two saves in the last five minutes to keep the draw intact.
