Green fingers for JESUS Project

Negotiations are underway for Enzo to be part of a SABC TV program to promote his fundraising cause. This programme, with Enzo's involvement, will be a joint-venture with the Anti Drug Alliance of South Africa and the Heal the World 4 US (NPO Reg nr 087815).

Part of this programme includes raising funds to train and educate, especially the youth, in organic vegetable tunnel-farming as well as water purification systems for house-hold and agricultural farming.

This farming project, dubbed 'Green fingers for JESUS Project', is situated within the Magaliesburg. Applicants will be trained for 6 months after which they will apply their new-found knowledge in their home-towns. Enzo's vehicle, which is also the only transport available for the Green fingers for JESUS Project, needs repairs.

Sponsorships are therefore urgently needed. If you are willing and able to assist, please contact Enzo on 071 303 4007.

Branding on his vehicle is also available until he completes the 6000km bicycle-drive to

Cape Town next year. The NPO Nr is also available for tax-deduction purposes.

Also on Enzo's list, will be the attendance of the COP 17 Summit in Durban from 1st Dec to the 3rd of Dec 2011, using his vehicle... giving his bicycle a quick breather. Please follow Enzo van Vuuren on Facebook or on www.healtheworldproject.yolasite.com.
