

**“We wish your family all the love
and blessings of this festive season”.**

**Rustenburg
Local Municipality**

It is hard to believe that it is already the time to say ‘Merry Christmas, Happy Holidays and Prosperous 2012!’ We indeed had a great year here in Rustenburg; 2011 has been a year of many accomplishments.

Our community has drawn together even closer and we have accomplished more than ever before. My sincerest gratitude goes to all our stakeholders who have supported our programmes throughout the year. Our achievements demonstrates that together we can do more. We are a shared community.

As we celebrate this holiday season, I hope that we continue to spend time with family and friends. Let us use this time to reflect and count our blessings. The greatest gift we could exchange is to serve one another. My I ask you all to remember your neighbours at this time of the year, especially the elderly, orphans and those who live alone.

I would also like to extend a special welcome to those who have come back home to Rustenburg to be with their families and hope that you have a wonderful time.

My very best wishes go to those who are sick at home and in hospitals, I wish you a speedy recovery.

To all who will be travelling on our busy roads, please do not drink and drive, let us be cautious and get enough rest and remember that speed kills. Arrive alive!

To those who are spending Christmas away from Rustenburg this year, I would like to extend Christmas greetings from Rustenburg. From my family and the Rustenburg Local Municipality and our dedicated municipal staff, we wish your family all the love and blessings of this festive season.

*We look forward with anticipation to another great year in **2012**.*
