BRICK-BRIDGE-BUM ATTACK

The injuries Eloise sustained.

Rustenburg – This week, social media flooded with posts of a young woman of the city that was attacked by a ‘bum’ standing next to the road on the N4 on-ramp onto the R24. A second attack with the same modus operandi has been reported to the Platinum Weekly newspaper, a mere four days later. We were informed that this man was arrested on Thursday afternoon, 19 January. **Read more on Pg2.**

Proppies by dosyne!

Hierdie jonge dame, 8-jarige Taryn Stander van Laerskool Thabazimbi, het die harte van die bosveld en weier gemeenskappe verower met haar projek wat sy laat in 2016 geloods het. Sy het oor die afgelope twee weke twee rolstoel skenkings van Rustenburg ontvang, en sy het groot verwagtinge vir 2017. Indien enige iemand proppies vir Taryn wil gee, kan haar ma Suzan Stander gekontak word by 082-463 4907. Lees meer op Pg4
