

Lend a hand to Camp Kaleidoscope

Rustenburg – Camp Kaleidoscope will brighten children's lives this August. Making a difference in another's life is perhaps one of the biggest and most lasting things we can do. So often do we get bogged down in our everyday lives, that we miss the opportunity to help others reach great goal posts and dreams, simply because we didn't pay attention.

Camp Kaleidoscope is an opportunity to pay attention. It is an opportunity to make a difference in the lives of differently-abled and less fortunate children. Starting on Friday, 25 August 2017, the Paramount Conference Centre (at Eduland) near Rustenburg will be transformed into a wonderful "veldskool" for disabled children. Over 70 children with different sorts and levels of physical disabilities will join up with children from different backgrounds in the spirit of unity, friendship and great fun in the veld!

At most veldskools, the mission of the camp is to teach children courage, equip them with self-confidence and plant the seeds that they can one day make a difference in the lives of others... Also it's going to be great fun, like everyone's veldskool should be!

If there is one single fond memory from my own veldskool it would have to be the obstacle course. No camp is complete without one, which is why the team from Camp Kaleidoscope

reached out to the IOWA based NPO *Train to Inspire*. They agreed to come to South Africa and build an obstacle course suitable for children with disabilities.

Camp Kaleidoscope is the brainchild of Brenda Klopper, a disabled young woman from Rustenburg. She has proven that if you set your mind to it, with planning, patience and diligence, you can achieve nearly anything.

In an interview with the *Platinum Weekly* newspaper, she explained that a lot more planning and consideration (and funds) have to go into this event to make it a success. "The purpose of Camp Kaleidoscope is to educate the children and to empower participants with life knowledge. We would also like to teach the children that they can make a difference in the lives of others."

The planning and energy necessary to make this event a reality is daunting. Besides funding and advice, they still need volunteers and advisors.

If you believe you can make a difference on any level, please show your support and contact Brenda on 072-356 8781 or email her at brenda-jean@vodamail.co.za. You can also visit www.visionofhopefoundation.com or <https://www.facebook.com/campkaleidoscope> for more information.

AS DIE GENEALOGIE GOGGA BYT

Potchefstroom – Die Noordwestak van die Genealogiese Genootskap het besluit om as 'n proefneming hul ledevergaderings op Saterdag te hou. Talle belangstellendes het aangedui dat hul graag meer wil leer oor hoe om hul voorsate op te spoor, maar nie kans sien om hul huise saans te verlaat nie.

Op Saterdag, 8 April 2017 vanaf 10h00 tot 12h00 gaan Hendrik de Waal Louw, 'n voormalige President van die Genootskap, sy skatkis van kennis oor familiegeskiedenis navorsing met ons kom deel in die Potchefstroomse Museum.

Die tema van die praatjie is "As die gogga byt". Volgens Hendrik moet belangstellendes reeds van die begin af vir hulself uitmaak wat hul met hul navorsing wil bereik. Tydens sy praatjie gaan hy aan beginners raad gee oor hoe om hul familiegeskiedenis navorsing

aan te pak. Hy gaan ook aanbevelings maak oor verbruikersvriendelike rekenaarprogramme wat gebruik kan word om familie-inligting aan te teken.

Hendrik voel sterk daarvoor dat die wiel nie van vooraf ontwerp moet word nie. Talle genealoë het al uitgebreide navorsing oor 'n groot verskeidenheid families gedoen. In die Potchefstroomse museum alleenlik is daar meer as 200 familieregisters wat belangstellendes kan raadpleeg. Dit dek vanne soos Bosman, Swane-poel, Van der Merwe, De Beer, Kruger en Viljoen om net n paar te noem.

"Op 'n baie vroeë ouderdom, ek was nog in die skool, het my Oupa Izaak Louw my altyd geroep om al sy broers en susters se name vir hom neer te skryf. Dit was seker sy idee om seker te maak hy onthou sy familie, want hulle het nooit by mekaar gekuier

nie," sê Hendrik.

Dit was die begin van sy belangstelling in genealogie. Sy navorsing het later bevind dat sy oupa Izaak een van 24 kinders was en dat sy oupa uit sy pa se tweede huwelik gebore is. Oupa Izaak is op Kenhardt op 13 September 1990 op die ouderdom van 103 jaar, vyf maande en tien dae oorlede. Hy was die tweede Louw in Suid-Afrika wat die ouderdom van 100 jaar bereik het.

Almal word hartlik uitgenooi om die praatjie by te woon. Vir meer inligting skakel gerus vir Elmarie Weyers by 018-2995021 of besoek die webblad www.genza.org.
