SPIRITS LIFTED

Mooinooi – The struggling community of Ward 27 in Mooinooi, a beautiful little town situated between Rustenburg and Brits, had their spirits lifted on Wednesday, 20 December. The Ward 27 councillor and committee members teamed up with sponsors to prepare and present food parcels for people living in the community. Gathering at the Bokamoso Community centre, up to 80 families of the

community were given much needed and hugely appreciated food parcels. "We would like to thank the following sponsors: Sylvania, Tetracon, Casmar, Sojima Mining and Samancor TC Smelter. Without the sponsorship of the companies, this day would not have been possible. Thank you to the community of Bokamoso," Says Chuku Tsotetsi, ward 27 committee member.
