Cash van bombed by heavily armed gunmen

CIT file photo

Rustenburg – Eight to ten heavily armed gunmen used explosives to rob an armoured vehicle during a Cash-In-Transit (CIT) heist on Friday 2 March. The robbery took place at about 09h00 in Nkaneng village near Wonderkop Mine outside Rustenburg.

"The suspects trailed the CIT vehicle in three vehicles; a white BMW X6, a Ford ST, and a Mitsubishi Pajero," said captain Elsabé Augoustides. A shootout ensued, injuring one of the security personnel. The suspects then used explosive devices to access the cash

in the CIT van. They fled the scene with an undisclosed amount of cash in their three vehicles but the Pajero was later found abandoned near the Bleskop Hospital. Cases of attempted murder and armed robbery are being investigated.

Owl evening-outing

Rustenburg – BirdLife Rustenburg will be holding their annual Owl evening-outing at Kgaswane Nature Reserve on Monday, 19 March, starting at 18h30.

"It is great fun to be in the reserve after dark and we always get good sightings of Owls and other night birds," said Geoff Finney of BirdLife Rustenburg.

The evening-outing lasts about 3 hours. Should you wish to learn more about, participate in any of these events or if you have any birding topics to report or need help with identification of a bird (a picture will help), please feel free to contact BirdLife Rustenburg's chairperson Shaun McGillewie, on 083-702 1462.
