

2018 Comrades club tent site bookings now open

With bookings for club tent sites having opened on 19 March, running clubs have been urged to secure their sites for Comrades race day on Sunday, 10 June 2018. CMA Race Director, Rowyn James has urged running clubs to book their spot, especially due to the iconic Moses Mabida Stadium being the confirmed finish venue for this year's Comrades Marathon. James says: "The interest in this years' race has been profound, especially in light of the new finish venue which is a first for The Ultimate Human Race. In line with the facilities offered by this landmark location, it is our intention that our athletes and running clubs get to enjoy the best of the Moses Mabida Stadium and the adjoining People's Park." Bookings may be done by clicking through to the Comrades Marathon website's events tab: <http://www.comrades.com> There will only be two designated areas for the Clubs, either inside the Stadium or at the People's Park

Club Tent Site Village. Inside the stadium, clubs will have a choice of either hospitality suites or a public seating area in the stadium off Level 3. This area will be cordoned off and clearly sign posted for each club. This area will have full view of the runners entering the stadium and finish line. The People's Park Club Tent Site Village is situated outside the stadium. There is no direct view of the runners on the route, although runners can be seen from a distance finishing along NMR Avenue/ Masabalala Yengwa Avenue before entering the stadium. All bookings will only be accepted via the online booking system at www.comrades.com. No telephonic bookings will be allowed. Terms and conditions apply. For any further queries, please email hospitality@comrades.com. Alternatively, please call Dave Ward on 031-563 5645.

INVESTING IN A DAY CARE CENTRE AND SUPPORT FOR A LOCAL BUSINESS, MEANS MORE PEOPLE BENEFIT.

When Dan Molefe's company, OBD Constructors, is hired by Wonderkop Smelter to build the Ratanang Day Care Centre, he has no idea how many young lives are about to change. The opportunity from the smelter enables Dan to employ 30 people from the nearby communities. About 100 orphaned and vulnerable children in Thekwane now have a new day care centre where they receive educational stimulation, nutritional meals and supervised care. And, because Wonderkop Smelter's investment covers the centre's running costs, salaries and staff training, more lives are being improved through job opportunities and skills training. Dan can be proud of achieving so much more than just providing for his own family.

Glencore supports many local entrepreneurs like Dan, Faith and Girly Flank of Granny's Kitchen, from Keysville in Mashishing. All are a testimony of our commitment to supporting local suppliers. The mother-and-daughter team prepares about 60 breakfast meals and 100 lunch meals daily at the Lydenburg Smelter through their catering services.

We believe that a single act can make a difference. It creates a ripple effect that can be felt throughout families and communities.

PROGRESS. TOGETHER.
INDIVIDUALS, FAMILIES AND COMMUNITIES.
