

Informal trading areas enlarged

Rustenburg – The Rustenburg Local Municipality (RLM) has taken certain key council resolutions at the first council sitting this year, held on 30 January at the Rustenburg Civic Centre. These resolutions were discussed as a measure of RLM's vision to become a world class city. Key decisions include additional space for informal trading. The Rustenburg Local Council considered a report to provide additional space to accommodate informal trading, taking into consideration safety, layout and other geographical aspects of the areas identified. The additional areas were approved with the aim to encourage economic activity and reduce unemployment. The municipal administration will follow all the necessary steps aimed at complying with the town planning scheme to make these areas available for informal trading.

Identified areas include:

- The corner of (c/o) Dr Moroka drive and Napoleon street;

- C/o Dr. Moroka drive and Tumagole street;
- The open space outside the public safety offices (Traffic Department);
- The open space between Telkom and the District Office of Social Development;
- The open space at the c/o Brink and Bethlehem streets;
- The triangular area next to Boitekong Mall;
- C/o Moye and Magriet streets;
- On the Kloof Road behind Job Shimankana Tabane hospital;
- The Zinniaville bus rank; and the
- Open space opposite Rustenburg Orbit College.

HELP CLEAN RUSTENBURG

Rustenburg – The DA and several Rustenburg community members got together on Saturday 3 March to clear away bushes and tidy up an unattended veld. Young and old supported this initiative. More than 20 people volunteered for the clean-up campaign on the corner of Ridder and Tuin street in East End. This specific area has been identified as a potential crime risk area as criminals can easily hide in the overgrown bushes. Through hard work and a camaraderie, they were able to fill two loads of an 18-wheeler truck and two loads of a tipper truck and

clear the area. Theunis Peens told the *Platinum Weekly* newspaper that the work and camaraderie of working towards a shared goal was a great experience: "It's great to be able to join other people who share our passion and want to help clean our once beautiful town. I would like to take this opportunity to thank not only the volunteers but also the companies such as Coastal Tool Hire and the Rustenburg Local Municipality, who showed their support by sponsoring all the necessary equipment along with port-a-potties for the day.

Young and old supported the previous initiative on Saturday, 3 March. Industrious Mia Lerm doing his bit.
