

NEW RANGE ROVER VELAR

**DON'T WORRY,
IT'S FRIENDLY.**

ABOVE & BEYOND

BOOK A TEST DRIVE

With its purposeful stance and bold front grille between slender full-LED headlights, the New Range Rover Velar may appear rather intimidating. Yet inside you'll find our latest infotainment system Touch Pro Duo, designed to be intuitive and user friendly. And remember it's a Land Rover, with legendary go anywhere capability. Over unfriendly terrain, it will always be your best friend.
