## AfriForum se Rustenburg-tak doen mee aan openbare deelnameproses

**Rustenburg** – Chris Trytsman, die voorsitter van die burgerregte waghond AfriForum se Rustenburg-tak, het op Woensdag 28 Maart die Rustenburg plaaslike munisipaliteit se spesiale raadsvergadering tydens die jaarlikse begrotingsverslag toegesprek en kwessies aangaande die stand van sake in Rustenburg uitgelig.

Trytsman het die belangrikheid van samewerking tussen die munisipaliteit en AfriForum aan die raad benadruk.

Trytsman het 'n paar van die aksies aan die raad uitgelig wat AfriForum geloods het om die munisipaliteit se taak te vergemaklik, waaronder die skoonmaak van die begraaftaas asook buurtwagpatrollies en die beskikbaarstelling van karwagte tydens plaaslike geleenthede om sodoende die gemeenskap te help beveilig.

Verder het Trytsman die munisipaliteit ook gemaak om dringend aandag aan infrastruktuur te skenk, met spesifieke verwysing na gebarste waterpype.

“Hierdie soort interaksie met die plaaslike munisipaliteit is vir AfriForum belangrik – om te poog om deur volgehoue samewerking aandag aan die probleme wat Rustenburg se inwoners in die gesig staar, te gee,” sê Charné Blignaut, AfriForum se distrikskoördineerder vir die Marico-streek.

## BE FIRE READY

The Department of Environmental Affairs' working on fire teams have been hard at work readying its firefighters in preparation for the 2018 winter fire season.

In a statement released by the department on Tuesday, 3 April, they report having stationed over 4,000 firefighters at 160 bases throughout South Africa.

They further urge communities to take extra care in also readying for the coming fire season, by removing unnecessary rubble on their properties which can pose

a serious fire risk. Cut down overhanging tree branches close to your property and clean your gutters. Houses next to grasslands need to ensure that there are sufficient fire breaks between their properties and the grasslands.

For safety precautions, members of the community should ensure that they have the contact details of their local fire authorities at hand should there be a fire emergency.
